

November 2010

Dear Friend:

If you have lost dear ones, you must have had moments when you wistfully thought, "If only I could do something for them."

Well, now you can! We feel privileged to share with you the dedication of a Memorial Wall in our beautiful Hineni Sanctuary in Manhattan. As you may know, our sanctuary is not only a place of prayer graced by a magnificent ark that houses a miraculous Torah that belonged to my saintly great grandfathers and was rescued from the flames of the Holocaust, but it is also a place where Jews from every walk of life gather to study G-d's Word and find renewed meaning in their faith.

You can now honor the memory of your loved ones by engraving their names for perpetuity on our memorial tablet. Each name will be illuminated by an eternal light that will be kindled on their *Yahrzeits* as well as on special occasions. Most significantly, their light will shine during ongoing inspirational Torah classes that reach multitudes throughout the world via our on-going studies and live web casts.

We will feel privileged to honor the memory of your loved ones. You need only give us their names and *Yahrzeit* dates along with your kind donation of \$1800 — *a hundred times chai*. Please fill out the enclosed card. For your convenience, we are enclosing a self-addressed envelope.

I pray that you and yours may be blessed a *hundred-fold* with good health, well being, peace of mind, joy, and a life of Torah.

In friendship always,
